

Agenda

**U.S. Department of Commerce
National Telecommunications and Information Administration
June 11, 2015 Privacy Multistakeholder Meeting
Facial Recognition Technology**

**1:00 p.m. – 5:00 p.m. ET
American Institute of Architects, 1735 New York Ave. NW, Washington, DC**

Meeting Goals: 1) Discuss Issues Identified by Stakeholders; and 2) Identify Meeting Dates and Goals for Future Stakeholder Work

- 1:00 p.m. Welcome (John Verdi, Director of Privacy Initiatives, NTIA/OPAD)
- 1:10 p.m. Facilitated Discussion of [Risks/Issues that Might be Addressed by a Code of Conduct for Commercial Facial Recognition Technology](#)
- Issue Nos. 4(a) and 5(a) (regarding anti-fraud, loss prevention, safety/security, and authentication uses of facial recognition technology: should a code of conduct include an exception for such uses, treat such uses differently than other uses, or something else?)
 - Issue Nos. 4(b)-4(f) and 9 (regarding transparency and consent for collecting Facial Recognition Data, enrolling Facial Recognition Data, and sharing Facial Recognition Data)
 - Issue Nos. 13 and 14 (regarding transparency and consent concerning Facial Recognition Data obtained from teens or children)
- 3:00 p.m. Break (30 minutes)
- 3:30 p.m. Facilitated Discussion of [Risks/Issues that Might be Addressed by a Code of Conduct for Commercial Facial Recognition Technology](#)
- Stakeholder Issue No. 19. Audit Trails and Access
 - Should the code address whether and, if so, how a Subject may have a right to audit how an Entity using Facial Recognition uses Facial Recognition Data pertaining to that Subject, and including accessing the type and accuracy of Face Recognition Data?
 - Should the code address whether and, if so, how an Entity using Facial Recognition Data pertaining to a Subject should track how it uses that Data?

- Stakeholder Issue No. 15. Risk: Individuals could be denied access to products or services based on erroneous identifying information derived from commercial facial recognition.
 - Should, and if so how, the code address how individuals might seek correction in the case of false negatives or false positives?
 - What would be reasonable means for individuals to seek correction from commercial entities?
 - What entities should be responsible for handling these matters?
 - Should the purpose for which the technology is being used be a factor?

4:30 p.m. Facilitated Discussion Regarding Next Steps

- Identify Dates for Stakeholder Meetings in July, September, October, and November 2015.
- Identify Stakeholder Work in Advance of the July 2015 Meeting.

4:50 p.m. Summary of Next Steps and Adjourn (John Verdi)
