13b. Narrative description any challenges, updates, or changes related to contracts and/or subrecipients.

The large increase in the contractual line item in section 14 below (from \$1,473.68 in Q4 to \$32,417.19 in Q5), was due to the funds being drawn down into an encumbered account to ensure that it could be paid out to the vendor on a monthly basis. These funds are still held by ASG. These funds were approved under local travel but are listed under contractual service because of the required leased agreement.

The Travel funds decrease under the Contractual category service expenditures below from \$32,417.19 in the 5th Quarter to \$30,943 in the 6th Quarter was due to a reduction in the encumbered amount for the vehicle lease. It was identified that the initial amount encumbered for the vehicle was incorrect, so the amount that was over was released back to the unexpended funds.
