**11a. Narrative description for each activity reported in Question 11 for this quarter; any challenges or obstacles encountered and mitigation strategies you have employed; planned major activities for the next quarter; and any additional project**  
 There were no Arizona Public Safety Broadband Network (AZPSBN) governance meetings held during the quarter. Due to COVID-19, personnel and efforts have been redirected to assist the State's COVID-19 Response team. No events were coordinated or held in the quarter as requested by FirstNet. However, program staff, AT&T and FirstNet Authority continue to meet with public safety agencies on planning efforts for FirstNet. One event was in the planning stage for this quarter; however, due to the COVID-19 pandemic, this event has been postponed until later in the calendar year. Arizona is now discussing a virtual conference instead of the traditional in person conference. Recent education and outreach efforts have been focused on extended primary users in the health care field as well as partnering with the FirstNet tribal and federal teams to assist in providing emergency communications on the Navajo Nation. FirstNet deployed two Satellite trucks to the Navajo Nation and then worked with the Navajo Nation Telecommunication Department to install temporary towers to provide broader communications for their public health and public safety departments.  
 No SLIGP funds were used to send individuals to national or regional conferences. Staff had planned to attend IWCE in August but the conference has transitioned to a virtual conference because of the COVID-19 pandemic.

**12. Personnel**

**12a. Staffing Table - Please include all staff that have contributed time to the project with current quarter's utilization. Please only include FTE staff employed by the state not contractors. Please do not remove individuals from this table.**

Job Title	FTE%	Project (s) Assigned	Change
Assistant Director - OGFR	10%	SLIGP 2.0 Oversight	none

**12b. Narrative description of any staffing challenges, vacancies, or changes.**

Under SLIGP 2.0, the Assistant Director for the Az Department of Administration, Grants and Federal Resources Office was the oversight authority for the grant and contractors until mid-April when he was moved from ADOA to the Governor's Office to manage the CARES Act funding awarded to the state. Ten percent of the Assistant Director's time was spent on oversight activities including review and approval of expenditures from grant funds as well as approval of financial and programmatic reporting. The FirstNet program was moved under the ADOA IT department but SLIGP 2.0 will no longer be used to support personnel expenses. The ADOA Assistant Director over IT will oversee activities of the grant funds; however, grant funds will not be used for this position. No other changes or challenges were identified with staffing during the quarter.

**13. Contractual (Contract and/or Subrecipients)**

**13a. Contractual Table - Include all contractors. The totals from this table should equal the "Contractual" in Question 14f.**
