processing SLIGP grant payments and tracks expenditures for the agency.			
Salary \$43,260.00	4.5 Years	\$	2,163
			ŗ
<u>Director of Operations</u> - will spend 1% of time towards the SLIGP Grant. The			
Director of Operations heads the division in which Communications			
Manager position is housed. This individual will provide supervision and			
input related to operational requirements for the SLIGP. Salary \$87,864.00	4.5 Years	\$	879
SOC Director- will spend 1% of time towards the SLIGP Grant. The SOC			
Director will directly supervise the Communications Manager and provides			
input related to SLIGP operational requirements. Salary \$56,779.00	4.5 Years	\$	568

Administrative Support: the State conservatively estimates that a number of		
state employees will spend one day per pay period (two days per month)		
working on SLIGP and PSBN-related efforts. The estimate is 1728 total hours		
per year spent on the project, or 5184 hours over 3 years. Using rounded		
and average salary information, this would provide an in-kind NON-Federal		
match of approximately \$126,720 to be used towards the total grant. Please		
see the match estimates spreadsheet for details on how we calculated the amount for this item.	3.0 Years	\$ 42,240
Total Personnel	3.0 Tears	7 42,240

Georgia - Detailed Budget Justification

Implementation of Georgia's State and Local Implementation Grant Program (SLIGP) will require allocation of funds in three broad categories: personal services, contract services, and data collection activities. Please see attached spreadsheet titled "Detailed Budget Spreadsheet Georgia" for cost breakdowns.

Personnel-

Implementation of the SLIGP will require contributions by the following personnel headquartered in the Georgia Emergency Management Agency/Homeland Security, the state agency responsible for statewide public safety communications, with a 4 ½ year budget of \$527,109 in salary All Federal, and \$126,720 Non-federal.

- Public Safety Broadband (PSBN) Coordinator. This new position will be funded at 100% time and require a 4 ½ year budget expenditure of \$225,000 **All Federal**. The PSBN coordinator will be responsible for overall management of the SLIGP initiative and coordinating the activities of all other participants.
- Statewide Interoperability Coordinator (SWIC). This position will be funded at 15% time for the current Georgia SWIC, requiring a 4 ½ year budget expenditure of \$32,400 **All Federal.** The SWIC's duties will be to coordinate SCIP revisions and coordinate the PSBN with specific existing state communications programs.
- Communications Manager. This position will be funded at 10% time for the present incumbent in this position requiring a 4 ½ year budget expenditure of \$23,400 **All Federal.** The Communication Manager's duties will be to coordinate the PSBN with the 911 community and explore the impact and plan for the integration of PSBN into current E911 and Next Gen 911. Will plan for potential uses, needs, capabilities and desired functioning of PSBN in the 911 environment.
- Chief of Special Projects. This position will be funded at 40% of the time of the current incumbent, and will require a 4 ½ year budget expenditure of 136,426 **All Federal.** This position manages all of the state's interoperable communications efforts, and the PSBN Coordinator will report to this position.
- Secretary. This position will be funded at 5% of the time of the current incumbent, and will require a 4 ½ year budget expenditure of \$7,654 **All Federal.** The secretary of the GEMA Homeland Security Division will perform administrative functions for the Chief of Special Projects.
- Assistant Division Director. This position will be funded at 10% of the time of the current incumbent, and will require a 4½ year budget expenditure of \$34,147 All Federal. The Assistant Division Director will act as the liaison between GEMA Director and various special projects as well as with other agencies and political entities in Georgia pertaining to the PSBN project.
- Grants Administrator. This position will be funded at 5% of the time of the current incumbent, and will require a 4 ½ year budget expenditure of \$10,800 **All Federal.** The Grants Administrator will oversee all grants activities of the SLIGP as well as develop and execute contracts related to grant funds with PSBN responsibility.

- Compliance Officer. This position will be funded at 15% of the time of the current incumbent, and will require a 4 ½ year budget expenditure of \$ 27,000 **All Federal.** The Compliance Officer will act as the SLIGP Grants Compliance Specialist. This individual will assure compliance to grant terms and conditions, track expenditures, match information, and prepare reports.
- Finance Director. This position will be funded at 1% of the time of the current incumbent, and will require a 4½ year budget expenditure of \$3,690 **All Federal.** This individual will act as the SLIGP Finance Director, supervising finance Grants Specialists and reviewing all grants for financial compliance.
- Grants Specialist. This position will be funded at 5% of the time of the current incumbent, and will require a 4 ½ year budget expenditure of \$10,350 **All Federal**. The Grants Specialist will devote 5% of her time developing, reviewing and submitting all post-award SLIGP grant revisions, amendments and financial quarterly and annual reports.
- Financial Operations Specialist. This position will be funded at 5% of the time of the current incumbent, and will require a 4 ½ year budget expenditure of 9,734 **All Federal**. The Financial Operations Specialist will process SLIGP grant payments and tracks expenditures.
- Director of Operations. This position will be funded at 1% of the time of the current incumbent, and will require a 4 ½ year budget expenditure of \$3,954 **All Federal.** The Director of Operations heads the division in which Communications Manager position is housed. This individual will provide supervision and input related to operational requirements for the SLIGP.
- State Operations Center (SOC) Director. This position will be funded at 1% of the time of the current incumbent, and will require a 4 ½ year budget expenditure of \$2,555 **All Federal.** The SOC Director will directly supervise the Communications Manager and provides input related to SLIGP operational requirements.
- Administrative Support: the State conservatively estimates that a number of state employees will spend 16 work days per year working on SLIGP and PSBN-related efforts. The estimate is 1728 total hours per year spent on the project, or 5184 hours over three years of the 4 ½ year grant. Using rounded and average salary information, this would provide an in-kind NON-Federal match of approximately \$126,720 to be used towards the total grant. Please see the match estimates spreadsheet for details on how we calculated the amount for this item.

Fringe Benefits

Fringe Benefits calculations for the above listed positions are shown in this section. Benefits include FICA, unemployment, and retirement. Calculations are shown in proportion the anticipated time each position will spend on eligible SLIGP activities. The total for all fringe benefits is \$252,174 **All Federal.**

• Public Safety Broadband (PSBN) Coordinator. This new position will be funded at 100% time and require a fringe benefits 4 ½ year budget expenditure of \$107,642 **All**

- **Federal**. The PSBN coordinator will be responsible for overall management of the SLIGP initiative and coordinating the activities of all other participants.
- Statewide Interoperability Coordinator (SWIC). This position will be funded at 15% time for the current Georgia SWIC, requiring a 4 ½ year budget Fringe Benefits expenditure of \$15,500 **All Federal.** The SWIC's duties will be to coordinate SCIP revisions and coordinate the PSBN with specific existing state communications programs.
- Communications Manager. This position will be funded at 10% time for the present incumbent in this position requiring a 4 ½ year fringe benefits budget expenditure of \$11,195 **All Federal.** The Communication Manager's duties will be to coordinate the PSBN with the 911 community and explore the impact and plan for the integration of PSBN into current E911 and Next Gen 911. Will plan for potential uses, needs, capabilities and desired functioning of PSBN in the 911 environment.
- Chief of Special Projects. This position will be funded at 40% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$65,267 **All Federal.** This position manages all of the state's interoperable communications efforts, and the PSBN Coordinator will report to this position.
- Secretary. This position will be funded at 5% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$3,662 **All Federal.** The secretary of the GEMA Homeland Security Division will perform administrative functions for the Chief of Special Projects.
- Assistant Division Director. This position will be funded at 10% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$16,336 **All Federal.** The Assistant Division Director will act as the liaison between GEMA Director and various special projects as well as with other agencies and political entities in Georgia pertaining to the PSBN project.
- Grants Administrator. This position will be funded at 5% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$5,167
 All Federal. The Grants Administrator will oversee all grants activities of the SLIGP as well as develop and execute contracts related to grant funds with PSBN responsibility.
- Compliance Officer. This position will be funded at 15% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$12,917 **All Federal.** The Compliance Officer will act as the SLIGP Grants Compliance Specialist. This individual will assure compliance to grant terms and conditions, track expenditures, match information, and prepare reports.
- Finance Director. This position will be funded at 1% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$1,765 **All Federal.** This individual will act as the SLIGP Finance Director, supervising finance Grants Specialists and reviewing all grants for financial compliance.
- Grants Specialist. This position will be funded at 5% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$4,952

All Federal. The Grants Specialist will devote 5% of her time developing, reviewing and submitting all post-award SLIGP grant revisions, amendments and financial quarterly and annual reports.

- Financial Operations Specialist. This position will be funded at 5% of the time of the current incumbent, and will require a 4½ year fringe benefits budget expenditure of \$4,657**All Federal**. The Financial Operations Specialist will process SLIGP grant payments and tracks expenditures.
- Director of Operations. This position will be funded at 1% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$1,892 **All Federal.** The Director of Operations heads the division in which Communications Manager position is housed. This individual will provide supervision and input related to operational requirements for the SLIGP.
- State Operations Center (SOC) Director. This position will be funded at 1% of the time of the current incumbent, and will require a 4 ½ year fringe benefits budget expenditure of \$1,222 **All Federal.** The SOC Director will directly supervise the Communications Manager and provides input related to SLIGP operational requirements.

Travel

A travel budget of \$72,910 (all Federal) is required for the cost of GEMA/HS personnel to attend SLIGP meetings within the state and for stakeholders outside the agency to attend FirstNet meetings and trainings in and out of Georgia. Breakdown is as follows:

- Travel for state personnel to attend grant meetings. Meeting schedule is as follows: 10 employees traveling 200 miles roundtrip for 24 meetings over 4 ½ years. \$27,840 in total.
- Funds for Technical Assistance Visits State employees visit each of eight GEMA regions to provide planning and technical assistance to local government partners in preparation for PSBN. 72 meetings over three years. Includes lodging, transportation and per diem. \$13,320 in total over 4 ½ years.
- Travel for Regional and National Meetings 10 PSIEC members will attend one pre-award and five will attend seven post-award meetings. Airfare is estimated at \$395.00 per ticket; hotel is estimated at \$128.00 per night; per diem is estimated upon GSA per diem of \$56.00 per day. Each trip is estimated at two days/one night for a trip estimate of \$635.00. \$31,750 over three years.

<u>Supplies</u>

A budget of \$26,504 **All Federal** is required to purchase telecommunication equipment, computers, and a printer, office supplies as well as office furniture to support the SLIGP program in Georgia.

Contract Services

A total budget of \$1,206,360 All Federal is required for contractual services.

Implementation of the SLIGP in Georgia includes \$188,000 in contract services for planning from the Georgia Tech Research Institute (GTRI), a sister State of Georgia governmental agency to GEMA/HS. GTRI provided neutral technical expertise and advice related to all communications issues surrounding and including PSBN. GTRI can also provide assistance with PSBN development through consultation on strategies, data collection and collation, subcontracts, and program management.

The GTRI contract will be used to cover the time of research-level personnel to perform these duties, with student employee providing targeted assistance as required. This effort will be modeled after GTRI's successful work with GEMA/HS over the past 10+ years. The average senior- or principal-level GTRI employee has an hourly rate of ~\$200 (approved by the Office of Naval Research under FAR 31 regulations).

Contract services totaling \$100,000 will be required for outreach efforts as well as the development, implementation, delivery and collation and data analysis of surveys and questionnaires to a wide range of potential public safety users of the PSBN.

Phase Two allowed activities will cover up to a three year period requiring contracted efforts to determine coverage needs, users and their operational areas, estimate current usage and plans, and document the state process culminating in the state plan decision. An amount of \$468,000 is budgeted for these activities.

Other-

Internet services to support all SLIG-P and FirstNet related activities by GEMA will amount to \$21,600.

The State is supplementing this budget with the required in-kind match to be provided through documentation of the time and effort of stakeholders under state and local appropriation. The stakeholders referenced here are 911 Directors, County and Municipal government officials, and state agency personnel. Much of their participation will be through planning, education, and outreach efforts throughout the state over the 4½ year grant cycle. GEMA/HS gathers and records the number of hours included in the calculation of third party in-kind contribution match by specific date, person, position, work location and date of occurrence. All non-state persons included in the match calculations certify that their salary hours are not being funded by Federal funds and do not include fringe benefits.

The State envisions multiple 2-3 day outreach workshops across the state with local government representatives, along with numerous planning sessions conducted in each GEMA region. With Georgia's large number of local jurisdictions (159 counties and 500+ cities), the budget spreadsheet illustrates a conservative in-kind match of approximately \$399,944 for these events.
