12. Personnel

12a. If the project is not fully staffed, describe how any lack of staffing may impact the project's time line and when the project will be fully staffed.

Indiana Governor Mike Pence instituted a "recalibration" effort (i.e. hiring freeze) in February 2016, which put a halt to our imminent plan to hire an Outreach Coordinator for the Northern half of the state. IPSC staff is filling in the gap to ensure regular attendance at meetings continues. IPSC hopes to fill the position in Q16. Additionally, the Statewide Interoperability Coordinator, Steve Skinner, retired in January, 2017. Sally Fay has been promoted to the SWIC position, but is still performing Outreach & Education and other project duties. This will not affect the project timeline, but additional hours over the estimated 50% FTE will be spent.

12b. Staffing Table - Please include all staff that have contributed time to the project. Please do not remove individuals from this table.
