11a. Describe your progress meeting each major activity/milestone approved in the Baseline Report for this project; any challenges or obstacles encountered and mitigation strategies you have employed; planned major activities for the next quarter; and any additional project milestones or information. <p>The state consultation was held on May 20, 2015, it was attended by various public safety and technology representatives for the state. The FirstNetME team meets weekly to work through upcoming tasks and assign planning and project work. Team members have attended various conferences: specifically the Broadband Communities Summit, National Association of State EMS Officials, the Maine Partners in Emergency Preparedness Conference, APCO Public Safety Broadband Summit, Tribal Telecom 2015 MMA Municipal Technology Conference, Hall of Flags Broadband day, Maine Chiefs of Police Association 2015 summer meeting, Board of EMS meeting, NENA annual Conference and Training . At these events staff handed out FirstNetME materials and talked with the attendees. The next MICC governance meeting, New England regional meeting and other events are being planned for the coming quarter.</p>					
11b. If the project team anticipates requesting any changes to the approved Baseline Report in the next quarter, describe those below. Note that any substantive changes to the <p>None at this time. A match waiver may be needed, as the true kick off of the project took longer than anticipated.</p>					

11c. Provide any other information that would be useful to NTIA as it assesses this project's progress.

Education and outreach has accelerated and is ongoing.

11d. Describe any success stories or best practices you have identified. Please be as specific as possible.

The FirstNetME team has created and is using the logo and several marketing materials for handouts and booth setups at events.
