11a. Describe your progress meeting each major activity/milestone approved in the Baseline Report for this project; any challenges or obstacles encountered and mitigation strategies you have employed; planned major activities for the next quarter; and any additional project milestones or information.					
Stakeholder Meetings	Conducted site visit meetings with SLIGP representatives				
Broadband Conferences	The team did not attend any broadband conferences during this reporting period.				
Staff Hires	No new staff hires or engagement within this reporting period.				
Contract Executions	No contract executions during the reporting period				
Governance Meetings	None				
Education and Outreach Materials	Presented governance body invitation letters to 13 constituents to form a new broadband governance committee				
Other Activities	No additional activities were conducted in the reporting period.				
11b. If the project team anticipates requesting any changes to the approved Baseline Report in the next quarter, describe those below. Note that any substantive changes to the Baseline Report must be approved by the Department of Commerce before implementation.					
The day-to-day activities of New Jersey's SLIGP project have been delayed until a formal revised budget is in place and match identified.					
11c. Provide any other information that would be useful to NTIA as it assesses this project's progress.					
The team is in process of redeveloping their SLIGP strategy and budget. Once the project team is fully staffed, the project will begin to progress smoothly.					

11d. Describe any success stories or best practices you have identified. Please be as specific as possible.

New Jersey has no success stories or best practices to share this quarter.

12. Personnel

12a. If the project is not fully staffed, describe how any lack of staffing may impact the project's time line and when the project will be fully staffed.

The project is not fully staffed and budgeted, but we anticipate completing these items within 15Q1, which has caused a delay in the Baseline/Expenditure Plan. The governance body committee members and key stakeholder staff have not been engaged on the project
