**11a. Describe your progress meeting each major activity/milestone approved in the Baseline Report for this project; any challenges or obstacles encountered and mitigation strategies you have employed; planned major activities for the next quarter; and any additional project milestones or information.**

In the final two months of the SLIGP 1.0 grant cycle, work was concentrated on organizing and conducting regional meetings in Vermont to allow the public safety community to directly ask questions of FirstNet and AT&T representatives about the build-out in Vermont. Seven regional meetings were planned in cooperation with FirstNet. Three of the meetings were completed in the grant period. DPS hosted informational meetings in the central, west, and southwest regions of the state. The remaining meetings are scheduled for March and April.

**11b. If the project team anticipates requesting any changes to the approved Baseline Report in the next quarter, describe those below. Note that any substantive changes to the Baseline Report must be approved by the Department of Commerce before implementation.**

No changes are anticipated at this time.
